# WHO ARE WE?

3DOCX Inc. began as a late-night conversation between friends—three naturopathic doctors who’ve walked the long road of clinical practice, business building, and personal transformation.

We are Dr. Elias Markou, ND, Dr. Raza Shah, ND, and Dr. Jason Lee, ND—and between us, we bring over 75 years of real-world experience. We’ve faced the struggles, the breakthroughs, and the quiet victories of naturopathic medicine.

Each of us built our own clinics from the ground up. We’ve served thousands of patients, built lasting businesses, and worked hand-in-hand with supplement and wellness companies to deliver quality care. Along the way, we realized something powerful: success in this profession doesn’t come from knowledge alone—it comes from **connection**.

**Connection to each other.**

**Connection to the wider healthcare community.**

**Connection to the companies that support what we do.**

That’s how The Supplier Show was born. A need to connect NDs to the suppliers who support the profession.

We saw a missing link in our professional landscape: there was no place in Ontario where practitioners and suppliers could gather in a meaningful, dynamic way. No space where collaboration, education, and business growth could come together under one roof.

After a successful first run in 2025, **we’re excited to welcome you with our 2026 theme: Driving Success**. On November 7th, 2026, in Brampton, Ontario, we’re continuing the change we started last year.

If you believe in the power of connection and collaboration, this is **your** show.

**Join us. We look forward to connecting with you!**

**Dr. Elias Markou, ND, Dr. Raza Shah, ND and Dr. Jason Lee, ND**
